PATH Intl. offers three levels of Instructor Certification for therapeutic riding: Registered, Advanced and Master. Each level has specific criteria included with the application materials. These workshop/certifications are for the **Registered Level** only.

In order to become a PATH Intl. Registered Instructor, you must successfully complete two phases of the certification process.

Phase One (PATH Intl.)

A complete description and application form are contained in the Registered Certification Application Booklet available through PATH Intl. at www.pathintl.org or (800) 369-7433. Any questions that you have regarding Phase One should be directed to the PATH Intl. office.

Phase Two (Host Site—High Hopes Therapeutic Riding, Inc.)

Upon successful completion of Phase One, you will receive a confirmation letter from the PATH Intl. office. At this point you are considered an Instructor-In-Training (IT). You may retain this designation for twelve months from the date of your confirmation letter. At the end of the twelve months, you must have completed all the components of Phase Two.

Phase Two participants will be required to:

- Complete 25 hours of teaching mounted therapeutic riding lessons under the supervision/mentorship of a PATH Intl. Certified Instructor.
- Attend a Registered Instructor On-Site Workshop. You must attend a workshop PRIOR to the certification component. Please note that the workshops are valid for 2 years.
- Successfully complete a Registered Instructor On-Site Certification.
