PROGRAM & DIGITAL ADVERTISING RATES

By taking an advertisement in our program, you are not only promoting your fabulous goods and services, but you are also showing all of our visitors and your potential customers that you are a proud partner of High Hopes Therapeutic Riding. This year our program will be printed and available before the event and available in an electronic format for downloading. **Ask us about a video ad!**

Over 3,000 people come to the High Hopes Holiday Market; a highlight of the Connecticut Shoreline's Holiday Season. Visitors come from Rhode Island, New York, Vermont, and Massachusetts and they are looking to BUY; knowing that their holiday gifts are also supporting an organization where horses and humans improve lives every day.
